

From Principal Peili:

Our 2013-2014 school year is about to begin! I trust that you all had a fun and fruitful summer and cannot wait to come back to Taiwan School!

This was the busiest summer ever for our staff. We reviewed what we have done in the past four years. It is amazing what we have accomplished!

We are very grateful and appreciative of our teachers and staff for their countless hours working behind the scenes, our student parents for their shuttling service and participation, and--most importantly-- our students. We see each - one blossoming into a fine and adorable individual and exploring their God-gifted talents.

After four years of efforts, we have come to realize Taiwan School's God-gifted talents in Music and Arts. It is a no-brainer that we should focus on what we do BEST to excel and allow us to achieve our vision--to serve and reach out to our community with our best efforts! Yes, just as we have taught our students--to focus and do our best--we, Taiwan School, will also focus and do our best. It takes great courage to make the transformation. As a school, we will take on the challenge!

We develop our classes with teamwork, team spirit, music-focus in mind. How we collaborate and teamwork together in making music is a key to success and it is best to learn and master the skills at a younger age. Please visit [Taiwan School Register Online](#) or <http://etaiwanchool.org/registration.php> for a list of classes available.

Our first scheduled performance will be to our Bay Area Community on Saturday afternoon, December 14, 2013: Christmas Celebration @ Jubilee (capacity 3000+). This will be our first performance to the public and to a large crowd.

We are very excited about this change and it has taken us great effort to put all these together. We apologize for not being able to inform you sooner and sincerely hope you understand and continue to work with us in developing your child's talent in Music and Arts.

Notes on Instrumental Ensemble:

School has just started, and many students will participate in School Band and Orchestra. How do you help your loved ones to stand out in a crowded Band or Orchestra and help them to develop their gift and talent to advance far more than others? Taiwan School's Instrumental Ensemble is the place to give them that extra step and practice in disciplining their musicianship. You don't want to miss this rare opportunity that may boost their success. Students will have various performing opportunities, with their first debut at Jubilee Hall accommodating an audience of 3000 on 12/14, Saturday afternoon. Register for Instrumental Ensemble at Taiwan School and join us for this rare opportunity!
